Paston family, re-examine what the manuscript can contribute to an understanding of the play and its circumstances of performance, and, finally, to question the cultural and political interests that may have been served by its patronage. The evidence for connecting the Pastons with the play is entirely

### **A woman of letters: An examination of the character of ...**

In the medieval society in which Margaret Paston lived, land, property and status were all important for the exercise of power, and to the social-climbing Pastons one of the quickest ways to acquire land was through advantageous marriages. Thus throughout the Letters the concerns of marriage, property and status are intertwined.

### **Patterns of Bequest within the Family: Testamentary ...**

The Will in Medieval England Introduction In constructing the history of the medieval English family, time and distance do not sharpen our perspective, but weaken it. Often even the most well-intentioned scholars trail the dust of their century's biases and research paradigms into the space they set aside for

### **The Pastons and Their Norfolk**

of these observations is to show how even as a rentier family the Pastons were intimately involved in the commercial dilemmas and social conflicts arising from crisis management for the agrarian history of Sources the fifteenth century, when landlords large and small usually leased out their demesne lands,<sup>1</sup> are for the most part laconic. With few exceptions estate accounts and valors lack the

### **Writing by Women in Later Medieval England**

Letters from the three great collections of family correspondence predominate: the Plumpton (7 per cent), Stonors (13 per cent) and Pastons (32 per cent). As more letters from Margaret Paston survive than from any other medieval woman, it has been necessary to impose a limit of six letters from any one woman to avoid unbalancing the collection.

### **What's on**

Destrier's horsemen show the medieval mounted warrior of the Wars of the Roses: at the hunt, at exercise, in tournament, and in battle. The Pastons were a Norfolk family who broke through the ranks of society over several generations. With a focus on items of the period and their use, as well as the etiquette and behaviour of the period,
