A Survey of Greek History - SFU.ca

The Greeks' greatest accomplishment in the area of politics was the polis itself. It so dominated the lives of the Greeks during the period 800-323 BCE that Aristotle (384-322), one of the greatest philosophers of all time, assumed that a human being was by nature a political animal; the polis was for him the natural way for humans to live. The polis was both a city and an independent state.

Livy, *Ab Urbe Condita* (Published by Penguin as *The Early History of Rome and The War with Hannibal*) Livy's work is a repository of myths and legends about the founding of Rome. It was written to spur patriotism and public morality. Books I-V give the stories of Romulus and Remus, Cincinnatus, and other important Romans. Books XXI-XXX tell the gripping story of the Second Punic War, which
